

## REMARKS

### Pending Claims:

There are seven claims pending in the application directed to the elected invention shown in Fig. 33, which was elected without traverse in the reply filed on March 1, 2007. The only rejection of these claims is based upon the ground of non-statutory obviousness type double patenting over co-owned patents 6,551,303, 6,652,555, 6,252,556 and 6,689,150.

Applicant submits a Terminal Disclaimer to overcome this rejection, which now puts the claims in condition for allowance.

## CONCLUSION

All of the claims remaining in this application should now be seen to be in condition for allowance. The prompt issuance of a notice to that effect is solicited.

Respectfully submitted,
